

TIMETABLE: 1st June English – Non-fiction writing about African Animals

Maths <https://whiterosemaths.com/homelearning/year-2/>

Learning packs with all printouts available at school

Mon	<p>Researchers – Find out all you can about lions and make some notes on the template. Use these questions to help you: Where do they live? What do they eat? What special features do they have? Then find out some fun facts.</p>	<p>Mathematicians Summer Week 6 lesson 1 – The 10x Table</p>	<p>Geographers – Find a world map that shows the 7 continents and 5 oceans. Label the blank world map template. Remember that they are all proper nouns (names) and so they need capital letters. Add some colour to your map with coloured pencils/crayons, using different colours for each continent. Which continent do you live on? Have you visited any of the others? Do you notice anything about the names?</p>
Tues	<p>Writers – Present your facts about lions.</p> <ul style="list-style-type: none"> • Draw a labelled diagram of a lion • Remember to use sub headings • Can you add a question or fun fact? <p>Look on Seesaw for an example of a finished fact sheet</p>	<p>Mathematicians Summer Week 6 lesson 2 – Sharing</p>	<p>Scientists – Grow your own vegetables! Look at the links below or instructions in the learning pack and have a go at growing some carrots or tomatoes.</p> <p>https://thestemhub.org.uk/index.php/stem-at-home/item/grow-carrots-from-carrots</p> <p>https://thestemhub.org.uk/index.php/stem-at-home/item/old-tomato-new-tomato</p>
Wed	<p>Writers – continue with your lion fact sheet and add some careful colour and illustrations.</p> <p>Start your research about elephants.</p>	<p>Mathematicians Summer Week 6 lesson 3 – Grouping</p>	<p>Readers – The Lion and the Mouse Choose from the differentiated reading tasks</p>
Thurs	<p>Writers – Present your facts about elephants.</p> <ul style="list-style-type: none"> • Draw a labelled diagram of an elephants • Remember to use sub headings • Can you add a question or fun fact? 	<p>Mathematicians Summer Week 6 lesson 4 – Odd and Even Numbers</p>	<p>Programmers – Online skills and responsible internet use What is a search tool? Think of some ways to keep yourself safe when searching on the internet. Search for the word ‘ourselves’ on Purple Mash and scroll down to ‘Emotions’ (2Do). Complete the activity, save it and click on the ‘share’ (globe) icon to share it to the Year 2 Home Learning noticeboard.</p> <p>https://www.purplemash.com/sch/banstead-sm7</p>
Fri	<p>Writers – Finish off your elephant fact sheet and add some careful colour and illustrations.</p>	<p>Mathematicians Summer Week 6 Lesson 5 – Friday maths challenge</p>	<p>Artists - Create an African Sunset Scene Listen to ‘The Hunter’ story on Seesaw and look at the beautiful illustrations. Create your own sunset background by blending reds, oranges & yellows. You could use paint, chalk, coloured pencils, crayons or ripped up paper. We will add the black silhouettes next week.</p> <p>See Seesaw for an example</p>
